

Links for Finding More Problems

- projecteuler.net

Mathematical-type problems, lots of thinking about problems to find practical ways of solving them.

- [Hacker Rank](https://www.hackerrank.com/)

Has problems for many different languages.

- [Python Wiki](https://pythonwiki.com/)

Links to about 12 other sites with problems on them.

- [IRLCPC](https://www.irlcpc.com/)

The website for a competition run in UCC in March.
